

## Ardyce June Bahadursingh

September 20, 1936 - June 23, 2016

Surrounded by her family, Ardyce June Bahadursingh, entered her heavenly home on Thursday, June 23, 2016 at the age of 79 as the result of a stroke.

Ardyce was born on September 20, 1936 in Norfolk, Nebraska, the youngest of three children to Max and Martha Miller. She graduated from Immanuel School of Nursing and began her career as a registered nurse. Ardyce always took pride in choosing that profession and her path led her two daughters to follow in her footsteps and also become registered nurses. During nurse's training she met the love of her life, Rai Bahadursingh, MD. They were married in Stanton, Nebraska on June 22, 1958. Soon thereafter, they moved to Washington state where Rai began his medical career. When the opportunity came for Rai to open his medical practice in California they moved to Rio Linda for many years before moving to Carmichael and finally to Rocklin.

Ardyce was a 4-H leader, active in church and over the past few years,

enjoyed her book club  
friends in Carmichael and Senior Life Center friends in Loomis. Ardyce and  
Rai traveled  
throughout the world, loved their trips and telling of their adventures when  
they returned. She  
always had a freezer full of ice-cream, a jarful of candy and a hug for all of her  
10 grandchildren  
when they came to visit. Her greatest love was her family.

Ardyce is survived by her loving husband of 58 years and one day, Dr. Rai  
Bahadursingh, her  
four children: Tresa Jorgensen of Rocklin (Warren) and their children  
Roseann, Isaac and Alora;  
Tanna Forbes of Granite Bay (Ray) and their son Raymond; Todd (Anne) of  
Roseville and their  
children Adam (Kelsey), Aaron and Kiri; Trent (Dee Ann) of Long Beach and  
their children Ryan,  
Holly and Amy. A celebration of Ardyce's life will be held at Ascension  
Lutheran Church, 7607

“ To my dearest brother Rai, his children Tresa, Tana, Todd and Trent and his grandchildren.

*A tribute to my sister in law Ardyce, a wonderful caring and loving sister, like a bright morning star to the Bahadursingh family in Trinidad. Ardyce you accepted our family, you were never a sister in law but a sister. You visited with Rai every member of his family and friends in his hometown Chaguanas, in Trinidad. You were loved by all our family including our spouse's family and our neighbours because of your personality and your love that you showed to each and every one of us. Every one of our family were welcomed in your home with so much love, care and appreciation. You were at ease in every category whether rich, poor, old or otherwise accepting and understanding the diverse cultures and traditions in each family. You made yourself acquainted with every member of the family and friends and at every conversation, every phone call you would ask individually for everyone and would remember to ask about our specific issues and problems and would always offer reassuring and peaceful words of advice. Words cannot describe the person you were to our family as I say over again never a daughter in law always a daughter.*

*I had spoken with you on Sunday for a long period. I was totally shocked on Tuesday on receiving the news. My children and I and all of us in Trinidad are grieved, and we share the loss which is irreplaceable in our lives.*

*To my dearest brother you could have never found in this entire world a woman who could take care of you with so much care, love and devotion. I know your loss is great but Jesus will give you and your children the strength and grace to bear that loss which all of us suffered. My prayers are with you every minute. I know Ardyce will be praying in heaven for you all.*

*Rest in peace my beloved sister, we will never forget you, your beautiful memories, your tender loving and caring ways and your laughter. Never in a moment have I ever seen you angry, you always have that peace of God and it will always be with you. I know you are rested in the arms of Jesus in heaven and you continue to pray and care for your family.*

*From your sister, Tara and her children (Nishri, Natasha and Natalie) and your most beloved sister Dee Herman; Dee is inconsolable at the passing of Ardyce and sends her love and prayers to all especially to her beloved Bhaia (brother); and also from your nephew and niece Vin, Sandra and Rudy and the entire Ramphal family.*

*On behalf of Dee and Tara we express our love in the following words:*

*You raise us up, so we can stand on mountains;*

*You raise us up to walk on stormy seas;*

*We were strong when we were on your shoulders;*

*You raise us up to more than we can be.*

*Love - Tara*

“ Sending sympathies from Nebraska. Loved our visits over the phone the last couple of years. I do remember Ardyce being back in Nebraska visiting Grandpa Max. They came for supper when we lived at Andy's Lake, Norfolk. Good food, the lake and family. God bless you all. Donna and Gordon Miller
