“ Mom I miss you very much! I hope you don't mind but I would love to tell a funny story about you and me. My mother and I enjoyed watching scary movies. Not horror movies but murder mystery. Well it was late at night and and we were snuggled up on the couch. The movie was getting intense with scary music, just then we hear a big crash at the front door. Mom screamed Ronnie there in house I said oh lord there here. Mom kept screaming Ronnie get your gun! I was screaming 2. Finally what seemed like 20 minutes later, dad came in the family room with his gun and screaming back at us where are they where are they. I said you just past them up. He then started to laugh at us because nobody was in the house. He had put a box of fireworks at the top of the entryway closet and they fell off the shelf just at the right or wrong time. Later on we had a good laugh about it. Mom we had some good times and we had some hard times. But you will always be in my heart. You are no longer suffering! I love you and miss you!
