“ Hi Mark. I was sorry to learn of your Mom's passing from our mutual cousin, Sue Alperin. I too had been trying to get into contact with your Mom as I had learned of your Aunt Ann's passing. I don't know if you remember me or not. I visited your Mon and Dad several times. I was a pilot at Travis AFB in the early 70s. I visited with my wife Judy and daughter Laurie. Through the years I have stopped by and visited your Mon after I had moved from the area. Would love to hear from you if you get this.

“ To Billie's sons, Andrew and Mark,
I was so sorry to discover your mom's death. I had been trying to reach her by phone and email to no avail and other Aikman cousins knew nothing. I was Walter's second daughter and only got to know your mom when I visited a couple of times as we were passing through town from Portland where we live. We both had an interest in genealogy so I used to call her occasionally and chat about family. I really enjoyed our chats and visits. I will miss her.
