“ Was so sorry to hear of Billy's passing, but was glad that he made it to the Crab Feed. Dennis and I always liked seeing him, but am sure that Nancy was glad to be reunited with him. Will miss him for sure.

“ Cheryl, I am sorry for your loss but your Dad lived a long life and you and the family were lucky to have him for so long. Bill and Nancy were both always so special, kind and fun! I still miss Nancy but in a strange way having Bill pass means Nancy doesn't have to wait any longer for him. I still smile each day when I look at the garden rock that welcomes people to my porch. Loss is never easy and we will keep you in our prayers.

“ Uncle Bill was always made it a point to stay close to his family. He always came to visit us. The distance never kept him away. I remember him bringing the family to visit sister Juanita and family. There was always lots of fun, lots of laughter. We always enjoyed his Christmas letters. My husband has always felt close to his Uncle Bill. We will miss those special times. We are praying God's comfort and peace for Scott, Cheryl and Marlena during this difficult time. We love you all!

Billie and Nancy were always so close - I will never forget them...we did so many things together...conventions, crab feeds, visits to each others homes...and more...I will miss them for so many reasons. They are "together again" I am sure. My thoughts and prayers are with both of them and with all of the family. RIP dear friends Billie and Nancy Bobbie

“*Marlena, Cheryl, Scott, and family, I so sorry to hear of your dad's passing. I have many memories of him and your mom at the Stratford Dr. house, sitting in the living room in the evenings, enjoying each other's company. I'd like to think they are together again. They were both so good to me when I was young, treating me like part of the family (especially on taco nights!) and very patient with all of us during our high school years (yikes!). I'm happy your dad had the opportunity to publish his book. I've read the beginning so far. Had no idea what he went through as a child. It's no wonder he was so compassionate -- and yet, a lesser man would have gone the other way. I am looking forward to reading the rest, although it will be with a heavy heart.*

*Much love,
Eva*
