Carolyn Ann Sullivan Haney

Born: March 27, 1943

Died: March 25, 2016

We were blessed to have Carolyn with us for just shy of 73 years. She was a tremendous wife, loving mother, grandmother and aunt as well as a very special sister! Mom lived for her family and loved to be with us all as much as possible. She loved gardening and her flowers brought joy to many people. Her garden was a beautiful place for neighbors to stop and visit or just admire. The garden was a very special place for times with her family as well. We will all miss you greatly but are content in knowing that you are with the Lord!

In The Garden--

I come to the garden alone

While the dew is still on the roses

And the voice I hear falling on my ear

The Son of God discloses.

And He walks with me, and He talks with me,

And He tells me I am His own;

And the joy we share as we tarry there,
None other has ever known.
