“ I am so sorry to hear of Dorothy's passing. She was a friend and mother figure for me. She was very supportive of me when I became a pregnant single mother and helped me so much after my son was born. For the most part, we lost touch when she moved to be nearer to her son, but when I saw her a few years ago for her 80th birthday, it was like no time had passed and our connection was as strong as ever. I will miss her and am so blessed to have had her in my life.
