“ *The last time I saw you Eddie you were nine years old. I'm sorry I couldn't be a part of your life since then. I didn't even know where you were for 25years. No one would tell us. I finally found your dad a few years ago. Then found you on face book. I'm so sorry you are gone now. You were brandys favorite cousin. May you rest in peace with your brother Erik. Love you*
