“ I only had the pleasure of knowing Fred for the last ten years, but from the date we met, until the day he died we were great friends. We golfed together weekly and went fishing on many occasions. There wasn't a day that we spent together in which we didn't have fun, harassing each other, even on his bad days. His constant smile, loyalty, and friendship is something that is close to my heart and is something I will always treasure. True friends are not easy to find, we all lost a good one.

“ When I think of Fred I smile; can't help it, just do. Fred was fun to be around, always with a smile, a great (ok, good) joke or story. He loved people and truly enjoyed his friends. I will miss him.

“ I have known Fred for 67 years. Take a look at the Album "Fred Growing Up" to get a few hints about the boy that became a man.

“ Fred was the biggest hearted man I've had in my life. He was always there for me whenever or however I needed him. I enjoyed the short time we spent together last Christmas, but for 8 years he and DD were my only family. I'm so sad he's gone but happy he's not in any pain. My heart goes out to David, may you find peace knowing how much he was loved and is still!
