“ Claudia, Penny, Sandy and Andrea....I have mentioned your Dad (and Mom) to many people over the years. When I talk about your Dad, it's with great respect and joy for the years he was my softball coach in Bobby Sox. I have such great memories of chatting it up in the dugout with Sandy and Andrea while Mr. Langan was hitting warmup balls to the infield. Those years seemed magical to me and even with all the sports teams I played on as I grew up, it would be hard to match the excitement and pride I felt being on your Dad's All Star Bobby Sox team. Your Dad was a great man and he made a positive and wonderful impact on my life. I will not forget him. Love to you all, Kim Miller
