“ *I only had the opportunity to connect with Greg a few times when his son, Ryan, was a student in our Drama program, but I was so deeply saddened to hear of his passing. Our heartfelt prayers are with the Stephenson family. May God bring you comfort in this time of grief, and joy in the fond memories of a life well lived.*

“ *It was with saddened hearts that we learned of Greg's passing and the world won't be the same without him. He was always smiling when we saw him and radiated with kindness. Feels like yesterday the family played disc golf with Greg and Ryan at Georgetown and went nature hiking. This and other 4-H moments are wonderful memories we shall cherish of Greg. Our condolences to Miriam, Alex and Ryan. We will be thinking of you during these hard times. Love and light-Tristan and the Kleinknight Family*

“ This comes at a great shock. I babysat Greg when he was young and full of pee and vinegar! It was so exciting to reconnect with him on FB. May God be with the family and friends as you adjust to life without him...but his best friend said it best "not goodbye...just see you later..." Much love and many prayers to the family and loved ones! David and Diana (Lowe) Wilson

“ Dear Miriam, Alex, Ryan, Kathy and Dee, The Ingraham family were close neighbors and shared many activities with the Strphenson family. Children near the same age, going to the same school, Lions Club, 4-H Club(the Manila Wafers), and being the school nurse and assisting Greg when his breathing was difficult. Our entire family sends their sympathy and prayers at this difficult time. With love, Sophie Ingraham
