“ *Harold always loved my Grandma, and he put up with her feistiness! I always loved when Grandma and Harold would visit in their RV. We'd play pinochle until past our bedtime. Harold or Grandma would always win...the rest of us would fight for third place. lol! We love and miss you Harold.*

“ Some of my favorite memories with Harold are from when we played cards. He loved to play Pinochle and Rummy - and he like to win. He was good at it too! We spend a lot of hours around the card table just laughing and talking. He was also a pretty good pool player and we enjoyed quite a few rounds of pool when he and Dorothy would come to visit. I so admire him for the way he took care of Dorothy and tried to always protect her. He's one of my heros and I will always miss him.
