“ Today marked 3 months and 22 days, a total of 122 days, I've been Motherless.. By the Wonderful Grace of God, I'm surviving without her.. It's so not easy, but I'm doing it.. I still catch myself reaching for the phone, to have one of those extremely long Mother/Daughter conversations, I miss those so very much. I feel the absence of her, every single day, several times a day.. I miss her more than any words can express..

“ My Mom would Always make time for us kids.. She'd have tea parties with us girls and she would make peanut butter & jelly finger sandwiches and cool-ade, for us and all our neighborhood friends.. I have so many great memories from when I was younger.. Thank you Mom.. I Love you & miss you terribly..

*Janets son and daughter-in-law love and miss her as well. Too bad the funeral was planned behind her sons back so he had no chance to pay his respects to his loving mother.*
