“ Dad, just want to let you know that I've been thinking about you and I miss you. I feel bad and a little upset that no one's really visited you... I guess that's how it is. Today is Joshua's birthday and we just had a cake/ice cream and gifts after I came home from work. Just me and the kids. Hope you're at peace. Miss and Love you lots.

“ You took me into your home and treated me as your own. I'm eternally grateful for your love and kindness toward me. I'll always remember the fireworks downtown, the Victory Tour, the pop bottles/cans on the side of the road and those bear hugs. 😭❤️😭
