“ I have many fond memories of our friendship. Going way back to Rutter Jr. High, to spending time with him just a few years ago. Leonard will be greatly missed. My thoughts and prayers are with the family, and the many he has touched over the years.

“ I grew up watching Leonard playing baseball with my older brother Mike for years. I don't think I can recall ever seeing him lose his temper. I tried forever to learn his technique, always making everything look easier than it was. But, I was never that good! It was an honest pleasure to know him!
