“ *Their paintings were wonderful. I have quite a few on my walls. I have a beautiful mountain scenery he did. Will be missed. We also made a trip to monterey one year that was slot of fun.* ”

“Dad”

*Always had us laughing, with all the stories as we sat around the table, or when ever we were fortunate to be together as a family. His love for us touched us all.*

*His love for the appliance business shines on in his boys! He taught them well.*

*We know that he is in the presence of his Heavenly father, and our Savior, and is*

*rejoicing with his Parents and Brothers. So he leaves us for a short time, for we*

*look forward to the time that we are reunited again. God speed Dad, we love you!*

*And we will see you again.*

*Love,*

*Don, Kim and Megan*

“Uncle Lester was a dear, sweet man. He had a ready smile and a mischievous twinkle in his eyes. He was always busy doing something or creating something useful for Aunt Lu. His loss leaves a hole in the hearts of all who loved him. Condolences to his family in this sad time. May his memory always live in the hearts of his loved ones. A person only dies if you let their memory die.

*Sincerely,*

*Mary Hendrix and Family*
