

Marc William Thorleif Byerley

August 1, 1966 - September 11, 2016

Marc was born in Lynwood, CA and passed away in Sacramento as a result of a traffic accident along with his faithful pet dog, Budd.

Marc is survived by his mother, Robin Williams, his step father Dan Williams, his five adult children, Kathryn Byerley, Alexandria Galbraith, Nicholas Byerley, Joshua Byerley, Rachel Byerley, Grandchildren Coral, Hannah and Maximus, Step brothers Christian Williams, Evan Williams, Aunt Mackie and Uncle Lon Rice and many cousins, nieces and nephews.

Marc spent his early years through Junior High School in Southern CA, being raised by his mother, growing up with his cousins, Paula, Lonnie and Gregory Rice, spending many wonderful days at the beach, vacation trips to Lone Pine, CA and summers with Grandma and Grandpa Hayes at Bullhead City, AZ.

Marc moved along with his mother to Fair Oaks, CA in 1979 graduating from Del Campo High School and began a career in construction. Marc was an entrepreneur and enjoyed creating successful business opportunities.

Marc's middle name Thorleif is Norwegian for LIFE and Marc loved LIFE. One of Marc's favorite pastimes was to experience eating many varieties of foods from food trucks to restaurants throughout Sacramento and So CA. Music was

so important to Marc and he often carried around his speakers, rocking out to the best of tunes.

Marc had moved to Belmont Shore in Long Beach, CA where he was living out his dream, biking on the beach and enjoying what each day had to offer with his best friend Budd. He had returned to Sacramento to spend time with his Mother.

Marc loved his five children and three grandchildren passionately. He will be missed by all who loved him. He was such a spiritual person and we truly believe his spirit will live on and his legacy will continue with his children and grandchildren.

All are invited to attend Marc's graveside service which will be conducted at the Fair Oaks Cemetery, Friday 10:30 AM – 11:00 AM, September 23.

“ I just read about Mark. I am so sorry for your loss, Mark was one of a kind. I meet Mark three years ago in a cigar shop in Sacramento. I am from Phoenix AZ. I was working construction there. When I walked into this shop for the first time Mark got out of the chair and stuck his hand and said nice to meet you my name is Mark. After that I seen him almost every week for 3 months at the shop. He was a great guy to know and I will never forget him. Rest in peace Mark and I will meet you again some day in heaven.

“ I've wanted to write since this was posted. There are so many memories. Even going back over 30 years. We all know his distinctive voice, laugh, his animated funny whoop and hollar and his HEART. As you know his family was everything to him. Not one conversation without mention of them. I feel so very blessed to know him and love him. There is nobody like him. I miss you terribly.

“ *I have been planning to write here for a few days but with so many memories it was hard to know which to share. We first met Marc and his Mum when he was 11 and that was the start of a lifetime of beautiful memories with what has become our US family. When Marc was 15 we took him and his girlfriend for a day trip to SF - it was a lovely day, after we sent him upstairs to remove his make up before we left lol. He was a lovely young man who we loved very much and will miss.*

Good bless you Marc you will be so missed by your children and grand children. Much love Sue and Bev xxxxxx

“ When I read of his passing today, I had to reach out... Marc was a student of mine many years ago at Capital Bible College. I loved his spirit and impish grin! His questions were always probing as he sought to go deeper. Then he'd stay after class to apologize, in case he'd been too disruptive! Marc was memorable, a choice spirit, I'm so sorry for your loss. He was one in a million! Pastor Cheryl

“ Memories, memories, memories, there are so very many. The wonderful times we shared with Marc on our family vacations. Devil's postpile, Lone Pine, Mammoth, Red's Meadows Hot Springs, fishing on the Owens River, and Lone Pine Creek, and of course Dirty Socks. I could go on and on. Uncle Bill and I were always amazed at Marc's curiosity and thoughts as a child. He had deep insight that he shared and they were far above his age. Through Marc's teenage years the relationship he had with his Uncle Bill and how his Uncle Bill loved him through all the ups and downs. I'm so blessed to have had Marc in my life so recently and I'm so grateful for the awesome hours we had together sharing our most deepest thoughts and feelings. He so loved his children and his Mom. I'll be forever thankful that I was and always will be his Aunt Susie! XO I love you Marc!
