

Mark Louis Block

June 19, 1953 - February 21, 2016

Mark Louis Block was born June 19, 1953 and went home on February 21, 2016. Mark joins his mother Hilda, Joan, Ray, Betty, and a long list of in-laws who greet him on his next journey. Mark and his wife Carol had the type of relationship most people only dream of. They were married for 40 years and had four children. Sonny (Viola – deceased), Reed (Stacie), Wendy (James) and Mark. In addition to his children, Mark also leaves behind his father Bob, 11 grandchildren, 4 great grandchildren, one bother, and 2 sisters. Mark loved Harley Davidson motorcycles and had owned and rode one as younger man. He also loved golf, and more recently added skydiving with his younger brother Greg to his list of favorite activities. Mark and Carol nearly always spent their vacation visiting distant loved ones. Mark proudly served in the U.S. Navy where he learned his lifelong trade as a welder. Mark was a hard working man who was a consummate leader, provider, husband, father, brother, son and friend. More than anything else Mark loved his wife Carol and his family and friends with a passion. He always welcomed everyone into his home and into his heart with open arms. Mark will truly be missed by all who had the pleasure of knowing him.

A Celebration of Life for Mark will be held on April 23rd at 1:30 at the home of Carol Block. 2545 Clearlake Way, Sacramento CA 95826.

“ *I remember the morning that I finally got to meet you. You and I instantly clicked. We went for breakfast and you took that time to get to know me and to support me with the loss of grandma. You and aunt Carol were the aunt and uncle I always wished I had. Your love and care was genuine. You will be greatly missed. I love you uncle Mark*

“ I will forever remember my younger years with my parents, Mark, Carol, Joe and Brenda. There are so many great memories of these days. Playing aggravation at the kitchen table, watching the guys work on cars in the driveway, sitting in the front yard listening to the chatter and hearing the laughter. Those were the good times and I am blessed to have had this man be a part of my younger years.

“ When coming into Mom and Dads house he always stood up and greeted us with a big smile. Then when leaving their home, dad always walked outside to say goodbye and waved...again, with a big smile.
