“ *Tami, Niki, Loni and Nick...my heart hurts for each of you. I have very fond memories of Dawn. Wow, thinking back and doing the math...41 years ago is when I met your family. I know the pain of losing her is huge and words cannot ease that. She touched a lot of lives and quietly nurtured a lot of kids back in the day. I hope you can each find a bit of comfort in knowing what a positive force she was throughout her life. Much love and many hugs to each of you.*
