“ Nancy will be greatly missed by her customers on Del Dayo Drive. She was always ready with a smile, a wave or a friendly chat. She so obviously cared about her work and took pride in getting things right, but it was her personality and friendliness that drew people to her. Sincerest condolences to Nancy's family. She will be missed by many!

Since we moved into the Del Dayo neighborhood Nancy has been a friendly presence. On the first day we arrived we found a small envelope in our mailbox with a handwritten note from her welcoming us and introducing herself. From that moment we knew our mail carrier was exceptional and that proved to be so over the years since. We share her family's great loss. Jud Clark

*Nancy was one in a million. She took such pride in customized thoughtful service for her postal clients. I have no doubt that that considerate nature was a life-long practice with all those whose lives she shared. We miss her, and the memory of her dedication lives on in our memories.*

“ *Nance and have been the best of friends for 33 years. The loss of her easy smile and laughter, her warm and loving heart, her wisdom and advice, her integrity and honesty and her ability to always "be there" for her friends will create a huge void for me and I will miss her everyday for the rest of my life. I send my love and deepest sympathy to all her family and especially to Zak, Brandy and Jessie. She was the very best.*
