

## Ted Alan Myers

December 12, 1950 - May 25, 2015

No obituary found for this tribute.

# Tribute Wall

“ Ted was a good friend of mine during my junior and senior high school years. We had many laughs together. I remember during the last few days in junior high when he brought a HUGE rubber band to school... and we used it to shoot at girls at the front of the classroom from 'way in the back of the room. I held the front of the band with my thumb (supported by my other hand) and Ted pulled it back as far as it would stretch and aimed it giving me instructions of "up, down, left, right" until it was "perfect"... and it was a perfect shot up a girl's loosely hanging blouse sleeve!! The girls were justifiably furious with us but we never got in trouble because we had been such "good students" all year up to that moment -- and looked so innocent immediately afterward! I do not remember who specifically we targeted, but I hope she has long since forgotten the incident :) Yes, I will miss my friend Ted, as will many, many people who he touched in such a positive way over the years. My sincere condolences go out to his family! Rest In Peace, good friend!

“ Ted was a wonderful person and I must say my life has been enriched knowing him. He was a gentle-giant. A very nice fellow that will be missed by so many. It just seems that time is passing so quickly and we don't have time to catch our breath and then....and then...and then someone else in our lives has passed. I haven't seen Ted in many years but I have fond memories of him in high school in Chico. A very smart guy and very gifted physically. We were PE locker buddies. He had the largest feet of anyone I knew. He was kind and humorous and was mature beyond his years. I remember seeing him at our 20th class reunion and I seem to remember he was living in Alaska.  
RIP Ted. I would like to pass along my deepest condolences to Ted's family. I am truly sorry for your loss.

“ My thoughts and prayers are with the Myers family. I will always remember Ted flying Shirley Harrison and me from Chico to Sacramento airport for hot chocolate one evening. Great pilot and wonderful person. RIP
