“ *The Vices send their love, respects and heartfelt sympathies to the Grady family at this difficult time of loss. Tim is a good man. His gentleness was evident in the way he cared for his mother and loved his family. Prayers and thoughts for the Grady Clan. Peace, love and harmony...*

“ I remember when Uncle Tim took me to the waterpark when I was little. I rubbed tanning oil into his back, and he rubbed SPF 100 into mine. It was such a fun day and he was easily the most handsome guy there. I was always proud to be the niece of such a cool and doting uncle. I wish Tim all the peace and love in heaven with Grandma and Grandpa.

“ Tim, my heart is broken for you, yet I know, yours is now completely whole! I'll always cherish and never forget the times we spent together when I would come home to visit. The recorded music shows we would listen to together. Stevie Ray, one of you and Mom's favorites! Never got tired of listening and watching the Eric Clapton concert while we had a late night snack, or rather I snacked, you would have another full meal. I'll always remember watching and listening to the George Jones Tribute Concert with you and Mom. One of our recent conversations, you mentioned the Vince Gill song "Go rest high on that Mountain". Thought of that just now, through my tears, you've gone on to rest high on that mountain! Fly high brother, may you rest in perpetual peace! Love you brother, til we meet again!

“ Jim and I were blessed to spend a night with Tim and Aunt Charlene in July 2013. So special how they took care of each other and comforting that they are taking care of each other again. Prayers to the Grady family.
