“ *Deepest condolences Joey, Cammie and family. Many fond memories of her taking joey and i places singing funny songs in the car. She was an awesome lady!!! Later I was confused when Joey's auntie ended up in the same school one grade ahead of us?!?*

“ Your beautiful Mother and I knew each other at Waterloo grade school and Linden High Schools. We used to drive her parents Toronado around and "cruise" around being silly teenagers. Your Mother was the " hottest" girl in school and was beautiful inside too. I have many fond memories of our time together and am only sorry we lost contact later in life. I hope you and her family will find peace and joy in all the special memories you created as a family. I am sincerely sorry for your loss. Kathryn (Smith) Hirst
