July 15, 1943 - January 5, 2017

William (Bill) Thomas Reon passed away peacefully at home with his wife and loved one by his side.

Bill was born in Norfolk, Virginia on July 15, 1943 to Catherine Croney and George Reon. He received a Bachelor's degree from William and Mary College. After a stint in the U. S. Army, he relocated to California where he embarked on a 52-year career as a sales representative in the shoe business.

After retirement he volunteered at Kaiser Hospital in Roseville, giving seminars to the staff on, "How to be a Stroke survivor."

Bill's positive attitude garnered many friendships over the years. He had a great fondness for animals and traveling. He will be missed by all that knew him. He loved the church and the God he served and now Bill is in God's presence.

The celebration of Bill's life will be held at Touchstone Christian Fellowship, 5300 Madison Ave in Sacramento, Calif on February 18, 2017 at 1:00 p.m.

“ I was so saddened to hear of Bill's sudden passing. I had the pleasure of working with Bill at New Balance and we continued our friendship after he left NB. Bill was the most sincere and caring person I've ever had the good fortune to meet. Bill always called every month to see how I was doing and to lift my spirits when work was stressful or my health problems were getting me down. The world has lost one of the kindest souls on this planet. Bill always made that extra effort to let you know that he cared.

“ So many memories of conversations with you at church, but my two fondest memories are the day you, Judy and I met at the church barbecue. And also, the appreciative/surprised expression you had on your face when you saw me walk into the hospital room, the week before you passed. ❤️ While we miss you, we celebrate the eternal life you are now living.

*My sweet memories of your love and friendship, compassion from the heart.  
After my serious car accident in 2012, when I was released from the hospital you took me to a lot of my appointments and came over Faithfully every Sunday morning to bring me to church. Bill & Judy you have such a big heart. You even went with me you went with me to buy a new car after the accident.  
I'm so thankful I came over and told you how much I loved you Bill before you passed into the Arms of Jesus . You will be missed.  
Now you are in heaven we will celebrate your life. Love Jean Graham.*
